F.No.2-29/Admin/2016-17

Dated: 16.03.2017

CORRIGENDUM

With reference to the advertisement dated on 14th March,2017 regarding walk-in-interview scheduled on 25th March,2017 at Indian Institute of Rice Research(IIRR), Hyderabad qualifications for the post of Senior Research Fellow's has been revised as follows:

Positions	Screening of applications	Date of Interview
SRF/TA/Young Professional I & II	25.03.2017 from 9.00 a.m. to 10.30 a.m.	25.03.2017 m 10.30 a.m. onwards
1. ICAR's Lal Bahadur Shastri Young Scientist Award -2014. <u>Senior Research Fellow : (1 position)</u> Essential Qualifications: Master's Degree in Agriculture (Agronomy/Pl.Breeding/Extension disciplines) from a recognised and reputed University. Candidates having post graduate degree in Basic Sciences with 3 years Bachelor's degree and 2 years Master's degree should have NET qualification. Desirable qualifications: Experience of carrying out field extension activities involving farmers. Should have sound inter – disciplinary knowledge in Agriculture and allied subjects. Ability to transform research content into extension content for making rice videos, basic understanding about rice video production and dissemination through conventional and modern methods. documentation and impact assessment and proficiency in computers. Emoluments Rs.25,000/-p.m + HRA		
2. ICAR Project on “ Molecular Cross talk between defence pathways in rice: from antagonism to synergism” (CN # 5730) <u>Senior Research Fellow : (1 position)</u> Essential Qualifications: Master's Degree in Genetics/Microbiology/Plant Molecular Biology/Plant Sciences/Life sciences. Candidates having post graduate degree in Basic Sciences with 3 years Bachelor's degree and 2 years Master's degree should have NET qualification. Desirable qualifications: 1- 2 years of research Experience in pests and disease management in rice. Emoluments : Rs.25,000/-p.m + HRA		
3. ICAR-NASF project entitled: A transgenic over expression of phosphate dehydrogenase a comprehensive strategy: <u>Senior Research Fellow (2 positions)</u> Essential Qualifications: Master's Degree in Agriculture (Pl. Pathology /Genetics/Microbiology/Plant Molecular Biology/Plant Sciences/Life Sciences/Botany). Candidates having post graduate degree in Basic Sciences with 3 years Bachelor's degree and 2 years Master's degree should have NET qualification (for position one) Essential Qualification: M.Sc.(Ag) in Soil Science and Agricultural Chemistry/Agronomy/M.Sc. Chemistry with NET Qualification (for positions two) Desirable Qualifications: Research experience in rice.		

Emoluments : Rs.25,000/-p.m + HRA

- 4. DBT Project “ Development of sheath Blight disease resistant transgenic rice Resistance tests in PR –Protein expressing transgenic rice and discovery of new RNA silencing strategies”.**
Technical Assistant (2 positions)

Essential Qualifications: B.Sc. degree in Agriculture/ Plant Biotechnology/Plant Sciences/ Life Sciences/ Microbiology/Botany. And research experience in laboratory techniques/green house.

Desirable Qualifications: Masters Degree in Biochemistry/Biotechnology/Plant Science/ Microbiology/ Plant Pathology/Botany. Experience in laboratory techniques including tissue culture and transformation of plants; culture media preparation; molecular techniques like PCR, raising plants in green house etc.

Emoluments Rs.10,000/-p.m. (fixed)

- 5. CRP Bio fortification**
Young Professional – II (2 positions)

Essential Qualifications: Postgraduates or graduate degree holders in engineering / technology / Veterinary science .

Emoluments Rs.25,000/-p.m. (fixed)

- 6. Non-Plan**

Young Professional – I (one position)

Essential Qualifications: Graduate or Diploma holders in engineering/Technology .

Emoluments Rs.15,000/-p.m. (fixed)

Age: Below 35 years for men and 40 years for women (age relaxation up to 5 years for SC/ST, 3 years for OBC & 10 years for PH candidates available as per rules)
