**Advertisement for the post of JRF under LDN project at the Department of Physics, Tripura University**

No. LDN/JRF/2016-01

Date: 06.09.2016

Applications are invited for the post of two Junior Research Fellows (JRF) under the project entitled "Installation of indigenously developed lightning detection network in North-East India and development of lightning detection location algorithm (LDN)", funded by Ministry of Electronics & Information Technology, Govt. of India, Principal Investigator, Dr. Anirban Guha, Co-Investigator, Prof. Barin Kumar De, Department of Physics, Tripura University. The posts are purely temporary with a monthly fellowship of Rs. 16,000/- (consolidated) for tenure of two years initially, subject to extension by the funding agency and also based on the performance of the JRFs. The required qualifications for the posts are M.Sc. Physics with specialization in electronics with two years of research experience in experimental fields. Working knowledge of designing electronic circuitry, data acquisition systems and programming language in FORTRAN, C and Matlab are desirable. Interested candidates are requested to send their complete bio-data in MS word format together with scanned color photograph via email to [anirbanguha@tripurauniv.in](mailto:anirbanguha@tripurauniv.in) by 20<sup>th</sup> September, 2016. The date and time of the interview would be intimated to the shortlisted candidates by 25<sup>th</sup> September, 2016.
