**NOTE**: The score for joint publications (books/chapters in books) will be calculated in the following manner:

"Of the total score for the relevant category of publication by the concerned candidate, the first/principal author and the corresponding author/ supervisor/ mentor would share equally 60% of the total points and the remaining 40% would be shared equally by all other authors."

It is clarified that the points are to be shared equally and not to be divided equally:

For example, if a paper has 'M' authors, which are amongst the first/principal author, the corresponding author/supervisor/mentor and 'N' remaining authors, then each of 'M' authors will get 60% marks each (say M-1 or M-2 or M-3 etc. will get 60% marks each) and the remaining authors will get 40% marks each (say N-1 or N-2 or N-3 etc. will get 40% marks each).

\*\*\* <sup>1</sup>/2 mark for each half year/semester of teaching of Undergraduate Classes only; and 1 mark for each half year/semester for teaching Under-graduate as well as Post-graduate classes or only Post-graduate classes, upto a maximum of 5 marks (more than four and a half months will be taken as a semester)

For Guest Faculty/Part-time teachers the allocation of marks would be half of the marks, as mentioned above.

The teaching experience to be counted in an academic year should consist of the total period for which a candidate has worked irrespective of break/s. The experience be counted from the date of eligibility or the appointment is approved by the concerned University, whichever is earlier.
